

Carers-ID Research Project

We invite you to take part in a project about the impact of the pandemic on you as a carer.

We would like you to be part of a group discussion about this. The findings will be used to create a programme to help carers of loved ones with profound and multiple learning disabilities.

If you would like to register for this project or want more information please contact Dr Trisha Forbes

email: trisha.forbes@qub.ac.uk
